MANTHAN

PLATFORM FOR RESEARCH & INNOVATION ALIGNED WITH SOCIAL IMPACT

Manthan

Ideas and implementation through
Science, Technologies, and Innovations

The **Manthan Platform** - India's Platform for research and Innovation is an initiative led by the Office of PSA with the potential to change the landscape of science and technology-based social impact innovation and solutions in India.

This platform promotes collaboration at scale between industry and the scientific research and development ecosystem to help meet India's national targets and United Nations' Sustainable Development Goals (SDGs).

The platform aims to empower various stakeholders to scale up the interactions with researchers/innovators and facilitate R&D/Innovation, share challenges focused on emerging technologies, other scientific interventions, as well as those with a social impact.
