

Pune Knowledge Cluster

Presents

Conversations with Women Role Models in STEM

The Journey from Scientist to Entrepreneur

Organized By	Pune Knowledge Cluster (PKC)
In collaboration with	BASF Chemicals India Pvt Ltd.
Date	Friday, 30 June 2023
Time	4:00 PM to 5:30 PM (IST)
Description of the talk series	An initiative by The Pune Knowledge Cluster, which aims to bring forward the journey of women in various fields of Science, Technology, Engineering & Mathematics (STEM). This series is conducted in an informal conversational format to help the audience relate to the lives of successful women professionals in S&T, knowing first-hand about their success stories, their failures, and how they moved ahead to make a mark in their field. We hope this initiative will inspire young women to break gender stereotypes, societal barriers and encourage them to pursue careers in STEM.
For whom	It's an online public talk. Open to all.
Potential Gains	Women Role Model Talk series aims to create a supportive ecosystem for women in science to build professional networks, meet women role models and develop leadership skills. The speaker will share details about their journey, research work, and motivation to engage in Chemistry.
Speaker	Name: Dr Vanita Prasad Affiliation - Founder Director & CTO REVV Environmental Solutions Pvt. Ltd.

Profile of the Speaker

Dr. Vanita Prasad
Founder Director &
CTO, REVY
Environmental
Solutions Pvt. Ltd.

Dr. Vanita Prasad is an Environmental Biotechnologist with more than 25 yrs. of experience in related field. Having graduated in Science from University of Delhi, she completed her Master's and Ph.D. in Biotechnology under Department of Biotechnology and Central Scientific Industrial Research, Govt. of India fellowships. Dr. Prasad has a long association with the industry as Consultant Scientist while heading R&D functions of various waste management companies. She hold patents for specific innovation in the field of Waste management and Renewable energy. Under her entrepreneurial journey, She has floated her own company namely - REVY Environmental Solution Private Ltd in 2017. REVY has been started because of three reasons: one, her unending urge to learn; two, to provide society effective Waste Management scheme to fulfill the mission of SWACH BHARAT and three, her belief that innovation in businesses is nothing by chance but by doing constant research.

About the Organizer

The Pune Knowledge Cluster (PKC) has been established by the Office of the Principal Scientific Adviser to the Government of India. It aims is to bring together academia, R&D institutions, and the industry of Pune and its surrounding areas, to address the challenging problems of the region through innovative means, using scientific knowledge and engaging highly skilled human resources.

PKC is administered by the Inter-University Centre for Astronomy and Astrophysics (IUCAA). In the initial phase, PKC would focus on Health, Sustainability and Environment, Sustainable Mobility, BIG Data and AI and Capacity Building.
