Dr Aakash Chowkase

Profile of Trainer

Dr Aakash Chowkase is currently a Postdoctoral Research Fellow at the University of California, Berkeley. He earned his Ph.D. in Education from Purdue University and a Master's from Azim Premji University. His dissertation focused on developing empathy and compassion in adolescents. Dr Aakash has been actively working with students and teachers for over 16 years, venturing into novel areas such as talent development and Social and Emotional Learning.

About the Organizers

The Pune Knowledge Cluster (PKC) has been established by the Office of the Principal Scientific Adviser to the Government of India. It aims to bring together academia, R&D institutions, and the industry of Pune and its surrounding areas, to address the challenging problems of the region through innovative means, using scientific knowledge and engaging highly skilled human resources.

PKC is administered by the Inter-University Centre for Astronomy and Astrophysics (IUCAA). In the initial phase, PKC would focus on Health, Sustainability and Environment, Sustainable Mobility, BIG Data and AI and Capacity Building. For more information, visit: <https://www.pkc.org.in/>
