

## Pune Knowledge Cluster (PKC)

Presents

### An Online Teacher Training Workshop on "NEP Roadmap - From Concept to Practice"

Organized By	Pune Knowledge Cluster (PKC)
Date	Thursday, 30 November 2023
Time	4:00 pm – 5:30 pm
Location	Online Workshop on Zoom Platform (Link details shared with registered participants)
About the workshop	<p>The National Education Policy (NEP) of 2020 is a transformative framework for the educational landscape in India. While the policy primarily targets systemic changes, this abstract focuses on the role of teachers in its implementation and ways of implementing the NEP.</p> <p>The NEP 2020 aims to create a holistic and inclusive educational system that nurtures critical thinking, creativity, and lifelong learning. It emphasizes the importance of teachers as the backbone of this transformation, recognizing them as crucial agents of change. The policy outlines several key changes relevant to teachers:</p> <ul style="list-style-type: none"><li>• Pedagogical shifts</li><li>• Professional development opportunities</li><li>• Focus on multidisciplinary teaching</li></ul> <p>Teachers will play a pivotal role in implementing the NEP 2020 by adapting their teaching methods to encourage experiential and multidisciplinary learning. Continuous professional development is a cornerstone of the NEP, and teachers are encouraged to embrace opportunities for upskilling, research, and innovation.</p>

**Meenakshi Dalmia**

### **Profile of Trainer**

Meenakshi, the founder of DLRC and Chief Education Officer, holds a B.Ed and M.Ed from Boston University (with distinction), B.Sc, Physics from Calcutta University, Waldorf training from Sacramento, CA, and Diploma in Child Brain Development from Pennsylvania. Meenakshi has spent 20+ years weaving through conventional and unconventional education systems as she journeyed from the USA to Singapore, to Bali, to India. She learned to live in harmony with nature and incorporate these in her practices. She envisions and drives the Creative & Educational aspects and teacher development at DLRC, and for other educational institutions. She is renowned in the field of education for her clarity of thought, in depth knowledge, ideation and her ability to manifest. As a NEP consultant, she has worked with various schools to deepen the understanding and implementation plan of the National Education Policy 2020.

### **About the Organizers**

The Pune Knowledge Cluster (PKC) has been established by the Office of the Principal Scientific Adviser to the Government of India. It aims to bring together academia, R&D institutions, and the industry of Pune and its surrounding areas, to address the challenging problems of the region through innovative means, using scientific knowledge and engaging highly skilled human resources.

PKC is administered by the Inter-University Centre for Astronomy and Astrophysics (IUCAA). In the initial phase, PKC would focus on Health, Sustainability and Environment, Sustainable Mobility, BIG Data and AI and Capacity Building. For more information, visit: <https://www.pkc.org.in/>
