

# Call for Applications from schools for PKC's STEM-RewirED Program

Teach. Transform. Thrive. (FY 25-26)

## About the STEM-RewirED

To make **STEM-RewirED** a focused, competitive, and need-based initiative, **Pune Knowledge Cluster (PKC)** aims to **equip teachers in government and government-aided schools with 21st-century skills and tools** for delivering impactful, tech-enabled STEM education.

**STEM-RewirED** is designed to bridge the digital divide, ignite curiosity, and transform learning outcomes in regions that need it the most. This program leverages expertise and innovations from **10+ premier academic institutions and educational foundations** to create and deliver scientifically designed and curated STEM teaching tools, tailored for practical use in everyday classroom teaching and learning.

## Key Program Highlights:

1. **Get a Digital Toolkit for school** - Equip your school with a free tech-enabled teaching aid
2. **Year-Long Teacher Training** - 4-5 teachers/school train in STEM, design thinking & game-based pedagogy
3. **Workshops & Bootcamp** - Join expert-led online and in-person training sessions.
4. **Game Development** - Contribute to building STEM games for a national STEM repository
5. **Showcase at EduConclave 3.0** - Present your school's innovative teaching tools at PKC's Annual Education Conference

## Dates to Remember:

Registration Opens - 21st July 2025

Deadline to register - 31st July 2025

## Eligibility Criteria

- ✓ Priority to schools with **limited/no digital infrastructure** (no computer lab, smart TV, projector, smart board, or tablets).
- ✓ Applications must be submitted by the **school principal**, who will nominate **4-5 teachers teaching 5th to 10th grade** (at least 50% women teachers preferred)

**Please note:** The workshops and training programs will be conducted in person and online. **All the training is provided free of cost. However, schools should be able to bear travel and logistics costs for the in-person workshops.**

## Who Should Apply?

**Only schools from Pune Rural and the Konkan Region are eligible for FY 25-26**

- ✓ Government Schools
- ✓ Low-Income Private Schools
- ✓ Government-Aided Schools
- ✓ Ashramshalas/Tribal schools
