DR. APOORVA DESHMUKH

Senior Staff Scientist at Praj matrix,
R&D centre, PRAJ industries

MY INSIGHTS AND DELIBERATE STRATEGIES: FOSTERING CAREER EXPLORATION IN THE INDUSTRY

Dr. Apoorva Deshmukh-Kambale was working as a Senior staff scientist at PRAJ matrix-R&D centre, a division of PRAJ industries. She is an alumnus of Modern College (Shivaji Nagar and Ganeshkhind), Department of Technology, Pune University, and had done an Integrated M.Tech. - Ph.D. in Chemical and Biotechnology, jointly, from PRAJ Industries and Pune university.

With her expertise in Microbial Biotechnology she has had a successful career in the biotech industry.

Through her talk, she intends to help young future scientists in finding their way into the industry ecosystem. It is her strong belief that anything can be achieved with a disciplined approach and focused preparation. She will be sharing her valuable insights and learnings from her career in her session.
